KRONIKKA 2020

Invitation TRaViLO 2021

Bulletin 1 1/2

Part 1

Part 1 contains Temp-O Competition part 1 (stations 1-4, 6 flags and 5 tasks per each) AND the time control for Pre-O (6 flags and 3 tasks).

The first part of competition will be arranged in the old center of Vihti municipality. Sprintmap 1:4 000 (or 1:3 000, will be decided later) / 2,5 m / 2021. Roads and broad trails. Parks and trees, buildings, ruins, fences, and most likely some height issues too. Total climb 15-20 m.

Guidance to parking from the road 1224 (Helsingintie). Free moving west from Helsingintie is not allowed during the competition, if necessary, do you shopping in K-Supermarket Vihti which is outside of competition area.

There is no service at the parking place, just some instructions and a map to the start. Toilet and number bibs should be nearby the start. People who participate only to Pre-O will do only the first time control station.

Part 2

Part 2 contains the Pre-O competition without any time controls.

Driving from part 1 to part 2 takes 25 minutes drive + 5-10 minutes walk. No guidance, you get a map to the place at the last station in part 1.

No services on the part 2 area except tiny cafeteria of self-service nature. You will get map, punching card and start time when you get there. Bring you own Emit-card for time calculating or let us know that you need one.

Sprintmap 1:4 000, 2,5 m, 2021. Course with 25-30 tasks. Gravel road. Total climb about 40 m. Steep cliffs, pine forest, contour forms. Timing with Emit. Partially challenging visibility, mostly good.

Part 3

Part 3 contains the 5 last stations of Temp-O, again in Vihti center. The area is of same character than in part 1, but slightly different.

Prizegiving ceremony will be held when we know the results. The rest of the cafeteria will most likely arrive somewhere nearby the finish area in order to sell out products as take out, which can possibly be consumed somewhere, in which sentence the 'somewhere' means nowhere too close to this cafeteria.

Start times

We wish that you let us know who is arriving with whom so that we can fix start times based on that in order to diminish the covid-risks. Start times for part 1 can be booked in Google Docs (link later). Please stay in the same rhythm during the day.

Classes and fees

- E class (WRE): 23 euro per competition, in most cases 46 euro
- HD 12 -class - 12 euro per competition (24 euro)
- Motion A class - 20 euro per competition (40 euro) - not recommended as illegal-ish at the moment

Entries and IOF ID

Finnish competitors enter via IRMA, foreign (if any) via email to Janne (see the address below). Competitors not using IRMA can pay via bank transfer (Rasti-Vihti, IBAN: FI41 5297 0040 0101 43, BIC OKOYFIHH). Please add text "travilo" and competitors name in the message field of bank transfer.

Entry deadline is 9.5.2021, late entries 12.5. with 1,5 x entry fees. When entering provide name, IOF ID, Club (if any), Class and a IOF Physically challenged status. If you don't have an IOF ID you can get it by creating user account in IOF Eventor, it doesn't cost anything.

Escorts

You are allowed to compete with your own escort. Escort may help only with punching and moving on, not solving the tasks.

Organisers

Organising orienteering club: Rasti-Vihti

- Event Director - Sini Aartomaa (+358443441655)
- Media and info - Jouni Moisander
- Course Setter - Janne Seppälä, janne.seppala MEAOOOW aalto.fi (+358445001676)
- Event Adviser - Juha Hiirsalmi (TuMe)
