### 3<sup>A</sup> ITALIAN CUP TEMP-O – WRE – CHIS CUP

**MEETING POINT:** 12:30 PM Enego Sports Center, GPS: 45.942471, 11.703583

Parking, GPS: 45.942738, 11.703938 - reserved Parking for Physically challenged near event center.

**PLEASE ARRIVE AT THE MEETING POINT BY 01:00 PM MANDATORY TO FOLLOW THE DIRECTIONS OF THE SIGN ARROWS TO REACH THE MEETING POINT.**

**MAP:** Mapped by Nicola Galvan May 2025 – ISSprOM 2019-2. Approval CS/T 1439 of 2025. Scale: printed at 1:3.000 scale (enlarged from 1:4.000) – contours 2,5m. Control circles are always 6mm wide

**COMPETITION FORMULA:** TempO with 6 stations, each with 5 questions and 6 lanterns. The answer Z (Zero) is possible when no flag is in the right position. Time limit at each station: 150s. Penalty for wrong answers: 30s

**CLASSES:** Open Elite, Direct (Paralympic and Junior athletes are automatically included in the OpenElite category).

**ZERO TOLERANCE:** Zero tolerance is 4m, with no other conditions. This means that when the expected response is Z, the flags are more than 4m away from the correct position.

**START:** start at 01:30 PM, The start is near the meeting point. It is mandatory to wear/show the bib to time marshals. Starting order according to the published starting list.

**RACE COURSE:** Length 1660 m / 0 m. At the start, a map will be provided with the route to the stations. Follow the directions of the time marshals. After the last station, return to the meeting point by the shortest route without interacting with other competitors.

**PROCEDURE:** At each station the competitor receives a bundle of 5 loose maps (LOOSE version only). Competitors must provide the answers verbally: if they wish to indicate the answer with their finger, they must immediately specify this to the time marshal. The time marshal will recite the formula "6 lanterns, ALPHA BRAVO CHARLIE DELTA ECHO FOXTROT. Time starts NOW!". Only at that moment can the competitor open the bundle and solve the first question and then the following ones. It is not permitted to move on to the next map before having answered the previous one, nor to return to the previous map. The time limit for each station is 150 seconds. 20 seconds before the end the time marshal will warn the competitor by saying "20 seconds". **ANSWERS:** The answers must be given clearly using the English phonetic alphabet (Alpha, Bravo, Charlie, Delta, Echo, Foxtrot, Zero). The answers and the overall time are recorded with the ANT system. After completing a station, the competitor continues along the course to the STOP signal and waits for the call to the next station.

Parking GPS 45.948492, 11.612191 - reserved Parking for Physically challenged near Malga 1° lotto.

**MAP:** Mapped by Daniele Danieli May 2025 – ISSprOM 2019-2. Approval TO 1440 of 2025. Scale: printed at 1:3,000 scale (enlarged from 1:4,000 with symbols not enlarged - same size as in ISSprOM 1:4.000, as agreed with the Map Commission of FISO - Italian National Orienteering Federation) – contours 2.5m in both PreO and TempO parts with 6mm circles.

**COMPETITION FORMULA:** PreO. Open elite / Physically challenged / Junior: 34 tasks + 2 TC. Direct / Beginners: 18 tasks + 2 TC. Time limit: ELITE 114 minutes PH.CHALL. 125 minutes Time limit DIRECT/BEGINNERS: 65 minutes

**CLASSES:** Open Elite, Physically Challenged, Junior, Direct, Beginner.

**ZERO TOLERANCE:** Zero tolerance is 4m, or 8m where otherwise indicated in the control description, in case of flags more distant than 100m.

**START:** start at 10:00, The start is 1200 m from the meeting point. It is mandatory to wear/show the bib to marshals. Starting order according to the published start list. Toe punch chips will be delivered at the start and must be cleared before punching the start station. Direct/Beginners use the punch card and not the toe-punch

### RACE COURSE:

Open Elite / Physically Challenged / Junior: Course divided into two sections. 300 m 22 tasks + 2 time controls (3 tasks each, no Zero) + 100 m 12 tasks .

Direct / Beginners: Course divided into two sections. 300 m 12 tasks + 2 time controls (3 tasks each, no Zero) + 100 m 6 tasks.

For the observation points, they will be colored WHITE for the Elite category and colored YELLOW for the Direct/Beginners course

- \* Control points with only one flag (possible answers A or Z) will not have an observation point marked on the terrain
- \* There will be a One way: be careful. At the same height it will be forbidden to continue further on the asphalt road
- \* Given the enormous amount of roots, cut trees and stumps, only the largest ones have been mapped (green X symbol)
- \* The start from the race center is about 1.2 km away, follow the signs
- \* You return along the same road used during the race: please do not disturb other competitors
- \* Go to the meeting point immediately to deliver the toe-punch
- \* Be careful in the first part preO because you are on a road open to traffic.
- \* On the right side of the road you can exit the road while remaining within the tape on the ground.

**PROCEDURE at Time Controls:** See the paragraph "PROCEDURE" for the TempO race, with these differences:

- There are only 3 tasks, with no Z answer.
- Time limit for each station is 90 seconds. 20 seconds before the end the time marshal will warn the competitor by saying "20 seconds".
- Penalty for wrong answer is 60 seconds.
