

Transport plan, PreO, Sunday

- Please be ready at the roundabout outside the arena building a few minutes before the planned departure time.
- We plan with more effective embarking/disembarking than the average plane; please assist yourself and others to make the process as fast and smooth as possible.
- The list contains some vacancies and we know that some wheelchair users will use their own transport, but to keep the system simple, they are included in the list. This means that there will be some free spaces on some tours.
- For the return journey, we don't have full control on when you will finish your course, so the return will be operated on a first come, first served basis. Please try to fill each bus, departing approx. every 14 minutes.
